With Tetra Health it's as easy as 1-2-3!

1. Initial consult

\$35

- A Tetra Health Nurse will contact you within 24 hours of receiving your referral.
- The Nurse will review your medical history, discuss your treatment options and develop a personalized care plan that suits your individual needs and treatment goals.

2. Physician appointment & approval

\$199

- Your appointment will be with a Tetra Health Doctor either in clinic or via TeleHealth. There's no waiting – we have weekly appointments available with our expert doctors.
- Once your TGA and State applications are approved, your prescription will be dispensed from a pharmacy and shipped directly to you.
- No lengthy wait times - we receive medical cannabis approvals in 24-48 hours!

3. Follow up

\$69

- A follow-up appointment is made for you at 3 months with your doctor to ensure your treatment is working optimally for you.
- Scripting and application fees included for two medications. Additional medications incur a \$50 fee.

Total Tetra Health clinic cost: \$303*

*Cost of medication paid separately to pharmacy

Tetra Health Patients have access to our nursing team via our 1800 support line anytime they need!

Why choose Tetra Health?

Personalised Care

At Tetra Health we recognise that every patient is unique, so that means we find the best medication for you. Tetra is product agnostic and has access to over 40 different medications.

Fast & Simple

It's an easy 1-2-3 process! We obtain TGA approvals within 24-48 hours after your doctor consult. Our Telehealth consults are done from the comfort of your home – a quick and pain free process.

Trusted Provider

As a leader in patient care, we offer ongoing support via our complimentary 1800 support line. Tetra Health believes in full transparency – there are no hidden fees!

Expert Team

When you choose Tetra Health you choose patient centric care and expertise. Our medical team is beside you every step of the way ensuring you meet your treatment goals!

**Tetra is one of the best and lowest cost service providers in Australia!*
