With Tetra Health it's as easy as 1-2-3!

01

NURSE CONSULT

\$0

- ✓ Your Tetra Journey starts here... In your 30 min consultation with one of our friendly tetra nurses you will go over your health history, symptoms and treatment goals.
- ✓ They will help you understand the different flower medicines available and help guide you through your medicinal cannabis treatment

02

DOCTOR CONSULT

\$99

- ✓ Once paperwork has been received, you are ready for your Doctor consultation via video or telephone.
- ✓ After your Dr. Consultation and your TGA applications are approved, your prescriptions will be sent to one of our friendly pharmacies who will contact you for dispensing your medication.

\$50 **PHYSICIAN SCRIPT APPROVAL**
\$50 Script approval fee
*note: this is per script approval

03

FOLLOW UP

\$99

- ✓ To ensure your treatment plan is working safely and you are reaching your treatment goals, you are required to follow-up with your Tetra Health team every 6 months or as required by your care team.
- ✓ Missed appointments may incur a surcharge.

Tetra Health Patients have access to book with their nursing team throughout their journey! Call 1800 861 099

Why Choose Tetra Health?

01

Personalised Care

At Tetra Health we recognise that every patient is unique, so that means we find the best medication for you. Tetra is product agnostic and has access to a wide range of medication options.

02

Fast & Simple

It's an easy 1-2-3 process! We obtain TGA approvals within 24-48 hours after your doctor consult. Our Telehealth consults are done from the comfort of your home – a quick and pain free process.

03

Trusted Provider

As a leader in patient care, we offer ongoing support through our expert cannabis care clinicians.

04

Expert Team

When you choose Tetra Health you choose patient centric care and expertise. We will be beside you every step of the way as you meet your treatment goals.
